

Friends of the Hunterdon County Library

OUTREACH PROGRAM for the Homebound

Our Outreach Program provides free delivery service of books and other library items for individuals who are homebound for any reason, for any length of time. Whether you have had surgery, broken a leg or are no longer able to drive yourself, we can help. This service can also help those who live out of the area but still have elderly parents in the county who no longer drive to ensure their parents receive books and library items. Volunteers will deliver items requested by the homebound individual, and also return those items to the library on or before the due date.

To arrange Outreach Services or for further information, please call the Reference Desk at (908) 788-1434 or email the Friends at fohclfriends@gmail.com, and we will have the Outreach Coordinator contact you. If you are interested in volunteering, call or email as stated above and you will be contacted.
