

A Beautiful Day in L. A.

Chorus:

Oh, it's a beautiful day in L.A.!

I met a very nice guru who assured me today,

"Great vibes are certainly headed your direction, your way,

'Cause it's a truly sensational day!"

Cruised the Sunset Strip in daylight,

And the trails at Griffith Park;

I saw the Dodgers win at baseball;

Hit the nightclubs after dark!

(Chorus)

I went to Malibu, Hermosa, and Redondo at the pier;

Santa Monica was looking oh so fine,

Then to Tujunga, Cucamonga, Pasadena, Highland Park,

And back home again past Hollywood and Vine!

Oh, it's a beautiful day in L.A.!

I met a very nice guru who assured me today,

"Great vibes are certainly headed your direction, your way,

'Cause it's a truly sensational, recreational,
inspirational day!"
