

Antiques Appraisal

with Alan Snyder

At this program, as each person's number is called, they will bring up 1-2 items for Alan to appraise (please, no weapons or post-cards). For larger items a good photo will suffice. It is always interesting to see what the true value is compared to what you would think it is. It is also fun to see what other people collect, as well as their reactions to Alan's appraisal. A certified antiques and estate appraiser since 1979, Alan is also an antiques broker selling individual items, collections and estates for clients.
