

Hunterdon Chrysanthemum Chapter
October Meeting 2018

Friday October 19 at 2:30 pm

**Hunterdon Library—North County Branch
65 Halstead St.
Clinton, NJ 08809**

*“Butterfly Gardening”
by Jane Hurwitz*

Jane’s new book on Butterfly Gardening is an indispensable resource and the most gardener-friendly source on the subject. It covers all the practical details needed to create a vibrant garden habitat that fosters butterflies. Her talk describes which plants support which butterflies and what different butterflies require in the garden over the course of their lives. She will discuss small steps that anyone can tackle to support butterfly habitat. Jane is the editor of Butterfly Gardener magazine and the former director of the Butterfly Garden and Habitat Program for the North American Butterfly Association (NABA). A book sale and signing will follow the talk.

The Hunterdon Chrysanthemum Chapter is a group of gardeners who enjoy growing a variety of plants, with a special interest in chrysanthemums. We meet six times a year for programs or social events, including a summer picnic and a winter holiday party, as well as tours of public and private gardens.

Guests and new members are welcome!
