

Basic Coding Workshop

with Laurie Wallmark

Author Laurie Wallmark who will demonstrate basic coding for adults in this hands-on workshop. Why should kids have all the fun? Come and learn how easy it can be to code. Please bring either a tablet or laptop (PC or MAC). Space is limited to 20 participants so register early.

Laurie Wallmark is the author of two biographies for young readers *Grace Hopper: Queen of Computer Code*, and *Ada Byron Lovelace and the Thinking Machine*. She is a Hunterdon County resident with an MFA in Writing for Children and Young Adults as well as degrees in biochemistry and information systems. When she isn't writing she teaches computer science classes at Raritan Valley Community College and teaches courses on writing for children.

Saturday, September 15 at 2:00 pm

Hunterdon County Library

314 State Route 12, Flemington
