

# Scott Hartley's Tuning Forks Healing Sound Experience

Enjoy the pure tones and perfect harmonies of "the music of the spheres" Sympathetic resonance influences the mind and body to relax and enjoy the sound of these pure tunes of the tuning forks. You will feel great as you enjoy the music of the spheres with the healing sounds of the platonic tuning forks. When we hear them, we are drawn into a still point, and our nervous system shifts into a new tone. Scott has a BA in Philosophy, and an MS in Natural Medicine, of which he is currently completing his doctorate. He has studied the use of tuning forks with Dr. John Beaulieu.
