

# GHOSTLY DISCUSSIONS

**with Gordon Thomas Ward**

Gordon Thomas Ward says that one of his favorite parts of his presentations on ghosts and hauntings comes from the all-to-brief Q&A period at the end of each show. "Ghostly Discussions" is an opportunity for the audience to participate in developing theories, view Gordon's forensic evidence, and share their questions and experiences. What are ghosts? Should we fear them? What happens to our spirits when our bodies die? Any of these questions and more can be addressed in this very unique, multimedia presentation that examines ghostly, paranormal encounters within an open forum.
