

Did you know greyhounds were dogs of royalty in ancient Egypt? Did you know greyhounds sailed with Christopher Columbus to the New World? Did you know greyhounds are the only breed of dog mentioned by name in the Bible? Learn more about these interesting historical facts and many others in the "The Greyhound Story" NJ Greyhound Adoption Program (NJGAP) will cover information about the Sighthounds and Greyhounds breeds, Greyhound History including facts about this 8,000 yr. old breed, the dog racing industry, and Greyhound rescue and adoption. Many of the aspects to consider when adopting a greyhound hold true when adopting any dog, cat or other pet.

NJGAP has been around since 1993, and has found homes for over 2000 dogs, several of whom will be on hand to meet at this event. So come to the library to meet and greet the greyhounds!
