

South Highlands Group of the Sierra Club

**with Michael Hebling**

Michael Hebling is the founder of *Metrotrails*, a hiking group that began informally in 1997 and evolved into a NJ non-profit corporation. Michael leads 15-20 mile hikes on a weekly basis, usually Sundays, all over NJ, PA, NY and DE. He will be discussing the Warren section of the Highlands Trail. To hike the Highlands Trail is to journey along the spine of Northwest New Jersey, on a path that showcases the best outdoor, ecological, historical points of interest the area has to offer. "I absolutely love this trail," Hebling remarks. "It highlights the diversity of our area." That diversity includes deep forests, spectacular vistas, waterfalls, small rural communities, and remnants of historic features such as the 19th Century Morris Canal and iron industry areas that date to colonial days, now reclaimed by forest.

A Meet and Greet will be following the talk. Sierra Club meetings at NCB are open to all, so feel free to sign up or drop in. Refreshments will be available.
