

Part of the Skylands Region, Hunterdon County is bounded on the west by the Delaware River with a view of Pennsylvania. Farm fields, forests, hills, wildlife and two reservoirs-as well as historic homes, farms and estates-describe the landscape of Hunterdon County. The County is home to parks and trails offering outdoor opportunities to folks of all ages!

Alice and Sue will be discussing as well as signing their book. This will include a slide show of some of the trails as well as talk about some of the special sites along the trails.
