

# Family Love Letters

with Michelle Heide and Toni Clarke  
of Patton, Heide and Associates Group

*If you love someone, you want to make sure they know . . .*

How to find your professional advisors; where your investments, insurance, and other assets are held; what employee or retiree benefits you're entitled to; where to find information on trusts, power(s) of attorney, citizenship, military records, burial information, or business ownership; your plans for a special-needs family member; where to locate passcodes to your computer/software, information regarding your pets, and which philanthropic organizations hold a place in your heart. Most importantly, you want them to know you love them enough to assure they know what's important – about you and to you.
