

# The Basics of Starting a Business

This seminar's format will be a facilitated panel discussion on what a new entrepreneur needs to do to start and sustain a successful business. Some of the topics to be covered include: The importance of the business plan; financing your business; registering your business. The panel will consist of 3 or 4 SCORE volunteers, who have a long history and a proven track record in starting their business. They will share their expertise and experiences in starting a business with the audience. There will be time for Q&A from the audience whereby the panel will answer specific questions.

SCORE (previously known as Service Corps of Retired Executives) is a non profit organization dedicated to helping small business owners get off the ground, then grow and achieve their goals through education and mentorship.
