

# South Highlands Group of the Sierra Club

## CLINTON CONSERVANCY GARDENS

---

**with Kathy Madden**

Kathy Madden will discuss the local conservancy's efforts. Butterflies are in peril. Perennial flowers, herbs, bulbs, shrubs, and trees need to be planted as soon as possible on our public and private lands—including your front yard! To succeed in bringing back the butterflies, the conservancy plants to plant besides count our local population of birds and butterflies, using QR codes identification markers. Kathy Madden will discuss the Conservancy's efforts and how both you and I can turn our lawns into vital butterfly habitat, preparing planting plans and lists.

A Meet and Greet will be following the talk. Sierra Club meetings at NCB are open to all, so feel free to sign up or drop in. Refreshments will be available.

**Wednesday, December 6 at 7:00 pm**

**North County Branch Library**

**65 Halstead Street, Clinton, NJ**

**This program is FREE and open to the public.**
