

It's Electric!

With Andrew Hollabaugh from Robostorm 4H Robotics Club

Wednesday, July 18th 7-8:30 p.m. Circuits Workshop

Registration begins July 9th, Class size is limited, Grades 5-12

Circuits are the basis to many Maker/DIY projects and this hands-on class will help get you started. We will be constructing simple circuits with LEDs, resistors and breadboards. Topics will include voltage, resistance, current & Ohm's Law.

Friday, July 20th 10am-noon DIY Electronic Operation Game

Registration begins July 11th, Class size is limited, Grades 5-12

This hands-on Maker class will use a simple circuit made up of an LED, resistor & breadboard to power an operation game. Parents are welcome to attend and lend a helping hand.

At the North County Branch Library

65 Halstead Street, Clinton, NJ

Please call 908-730-6834 to register
