## TEEN THEATRE WORKSHOP

**Thursday, May 20 from 6:00-8:00PM**

During this virtual theatre workshop, we will create original scenes based on familiar book series and develop our own versions of beloved fictional characters! We will go through improvisational exercises that provide tools for creating original work as an ensemble. By acting out scenes from "Harry Potter and the Cursed Child" and "Peter and the Starcatcher" we will learn the framework used for adaptations and take this to create our own scenes using newly gained playwriting and performance skills. Come with an open mind, paper/pen, and love of teen fantasy!
